

Electricity Price	Average Monthly Use	500 kWh	1,000 kWh	1,500 kWh
	Average Price Per Kilowatt-Hour	15.2¢	14.6¢	14.5¢

This variable price disclosure is an example based on average service prices – your average price for electric service will vary according to your usage and while your electricity price under this plan will not change more than once a month, it may vary on a month-to-month basis as determined by WTU Retail Energy. The Direct Electricity Plan price will not increase more than 30% over the previous month's price. This price disclosure is based on an average WTU price of 14.1¢ per kWh plus a \$5.41 monthly customer charge*. Your actual bundled price for the preceding month, inclusive of the monthly customer charge, will be shown on each monthly statement, and will be used to calculate your monthly bill amount based on your actual electricity usage during the preceding month.

Contract	Minimum Term:	None	Penalty for Early Cancellation:	None
